Welcome to ICT Computer Training ICT Computer Training has been a leader in the delivery of quality computer training courses and has hundreds of satisfied clients both private and corporate. Our specialty is offering courses in your work place.

ICT Computer Training is renowned nationwide for the high quality of its education and training courses. Many of our clients took their first computer training course with us at introductory and beginner level and have progressed with us to advanced and expert levels.

Our impressive customer base and high customer satisfaction ratings are a result of our total commitment to quality and value. For those people who don't have much time and prefer to work on their own, we can now offer on line computer training programmes to suit all levels. We offer:

- Fully certified courses
- Professional and dedicated trainers
- A friendly and enjoyable learning environment
- Quality courseware and notes
- Training needs analysis
- A comprehensive range of courses in applications and web design
- A range of course times to suit all requirements
- One to one computer training
- Training on-site or off-site On-line ICT Computer Training

Before you invest your valuable time and money in computer training, be sure to select a company with a proven track record of customer satisfaction. ICT Computer Training Business
